SCHOOL NEWS:

Kay Twigley is away this week as she is away on an Outward Bound adventure. There will be no one in the office so please do not be offended if your telephone calls go straight to answer phone.

EOTC NEWS:

Last week we had the nurses from Turanga Health come up to talk about personal hygiene with the whole school and Puberty with the year 6-8 learners. They talked about the importance of cleanliness; brushing teeth, washing hands properly, washing body correctly and nit care. If you were not aware apparently we can get a doctor's prescription for two bottles of nit lotion per person in the family, free from the chemist.

We were due to have the Life Education truck up here next Wednesday but that has been postponed till week 2 term 2 as Quinton the provider has had to go away on a family matter.
