

NEWSLETTER

4th April 2018
Term one, week nine

Dear Parents and Caregivers,

Please find attached to this newsletter the complaints procedure for our school. Should you want to make a complaint about something to do with school then this is the process to follow.

Also attached is the talent release form required by Air NZ. In return for the Airpoints programme we will need to send through a trip summary and images after our trip has taken place to enable them to share our story back to the generous Airpoints Members who have donated to our school. The images will only be used in relation to the Airpoints for Schools programme and its promotion. Please return these to school as soon as possible.

We still have 1460 Airpoints to go before we reach our target, nearly there! We have two weeks to achieve the target so if there are any people, businesses out there that you know are frequent flyers then now is the time to talk to them.

Also attached to this newsletter you will find a form to give consent for your child to use Skoolbo. In order to strengthen their privacy and consent policies they are changing their terms and conditions for children using Skoolbo via school created accounts. From April 22, 2018 all children will need to have parental permission in order to continue using the program. Parents provide the consent online. Students without parental or legal guardian consent will not be able to use Skoolbo after April 22, 2018.
