Dear Parents and Caregivers,

THIS WEEK'S AWARDS:

Congratulations to **Piripi Brown** and **Sophia Green** who received our **VALUES** certificates for **SELF-MANAGEMENT** this week. Piripi received his award for being a self-manager and settling so easily into Rere School. Sophia received her award for working hard to be in charge of herself and her belongings.

SCHOOL VALUE: the value at the heart of our learning community this week remains **SELF – MANAGEMENT**.

CONGRATULATIONS also to **Robbie Worsnop** who received a classroom award for being a focused and determined learner. **Devarn Harrison** received a classroom certificate for great focus on his work after being away.

OUTDOOR CLASSROOM:

If anyone has any spare gumboots lying around home we would love them for school so we can keep some in the Karinui shed for when needed.

EOTC:

Please find attached to this newsletter a permission slip for the junior room children to attend the Capital E production. Odd One Out approaches a subject we all experience at one time or another – feeling left out or different. Through the vibrant and bubbly characters, the audience experiences a new world and discovers with the characters that being different isn't bad. In fact, it can be exciting!

SCHOOL CAMP:

Thank you so much to those people who have sent their forms back to school. At this stage we have made no decision regarding parent helpers as we need to wait for all forms to be completed. Attached to this newsletter is; EOTC Volunteer Assistant Agreement form to be completed by all parents/caregivers, Request and Consent form for Police VET, EOTC Parental Consent form for each child, EOTC Student Contract and the Camp Health profile form. A copy of the equipment list is also attached.

SCHOOL NEWS:

I will be away all of next week, week 3, at a conference in Auckland. I am really looking forward to this opportunity to listen to and participate in professional dialogue with some inspiring speakers from around the world. Fiona Cummings will be relieving in the senior room. I will be in contact via email and google docs so look forward to hearing about all the awesome things everyone is doing while I am absent from school.
