

## NEWSLETTER

28th May 2018  
Term two, week five

Dear Parents and Caregivers,

Please remember school photos are this Wednesday, start time 9am.  
Also a reminder that school will be closed on Monday the 4<sup>th</sup> June for Queen's Birthday.

### THIS WEEK'S AWARDS:

Congratulations to **Putu Reedy** and **Hamish Cook** who received our VALUES certificates for **RESPECT** this week. Putu received his award for always showing respect by using common courtesies when communicating and interacting with others. Hamish received his award for being respectful and supportive towards others.

**SCHOOL VALUE:** the value at the heart of our learning community for the next two weeks is **RESILIENCE**.

The resilient mindset is specifically attuned to learning and behaviours in classrooms. The establishment of a resilient mindset is related to increased engagement in learning, motivation and academic success. It also relates to the factor that most predicts success in life and in relationships. The resilient mindset relates not only to how we see ourselves but also to how others view us as we attempt new tasks, make mistakes and learn new skills. (Andrew Fuller)

**CONGRATULATIONS** also to **Keanu Robin** who received a classroom award for always giving 100% to his learning. **Charlie Worsnop** received a classroom certificate for always being there to help out others when they need it.

### SCHOOL NEWS:

A shame that our day out to Patutahi had to be cancelled. It is always exciting to catch up with our friends from across the cluster, so it is disappointing that we are not going to be able to do so until cross country in term 3.

Do we have any talented community members out there who would like to design a mural for the swimming pool shed? A great canvas! Like many of you I would love to but do not have the time. The theme is RERE. We have the painters.

A reminder that this Friday 1<sup>st</sup> June we have the first of our parent workshops on using the internet based Literacy programmes we have available to support your child's learning at home. This will be carried out in the classroom with your child leading the learning – we look forward to seeing you. 1pm start time.

### FOOD FOR THOUGHT:

Brains need breakfast. Research shows that breakfast eaters get 40% higher marks in maths, and are less likely to be absent from school. Studies indicate that non-breakfast eaters are twice as likely to be depressed, four times as likely to suffer anxiety and 30% more likely to be hyperactive. Having a higher protein-lower carbohydrate mix for breakfast enhances concentration and memory. So avoid lots of sugary cereals, juices and heaps of toast and get some eggs, meat, milk and porridge in for a great start to a learning day.

*RERE SCHOOL WILL DEVELOP THE WHOLE CHILD ENABLING PERSONAL EXCELLENCE*  
Rere School, Private Bag 7623, Gisborne 4040 06 867 0868 office@rere.school.nz

## **BOT MEETING SNIPPET:**

- The board have reviewed the following policy: Rere Framework Inclusive Education BOT.
- Property – New fencing around the bottom quad area has been completed. A new Shade Sail has also been assembled over the junior verandah.
- BOT thank everyone who were able to attend the recent working bee – many jobs were completed.
- Fundraising – ideas discussed for school camp.

## **EOTC:**

Please find attached to this newsletter a permission slip for your child/ren to attend the MindLab on Friday the 8<sup>th</sup> June. We will be travelling by school buses.
