20th August 2018
Term three, week five

Dear Parents and Caregivers,

THIS WEEK'S AWARDS:

Congratulations to **Georgia Roberts** and **Kairo Taurima** who received our **VALUES** certificates for **RESILIENCE** this week. Georgia received her award for being such a resilient learner by looking for answers to challenges in all the right places. Kairo received his award for using a resilient mindset when faced with challenges.

SCHOOL VALUE: the value at the heart of our learning community for the next two weeks is **CONFIDENCE**.

CONGRATULATIONS also to **George Candy** who received a classroom award for working really hard to understand place value. **Jack Cheetham** for being such an IT whizz and sharing his knowledge with us.

SCHOOL NEWS:

This week we welcome Mila Maddock to school. Kia ora Mila. We know you will love being a part of the Rere School team.

We say goodbye to the Robin whānau this coming Friday. It is always sad to see a child leave Rere School but such is life. We wish Keanu and his whānau all the best in whatever the future may bring.

This week your children will start bringing home their speeches to practice. These should be known and the children should be able to remember them without paper or cue cards by the time we have our Speech evening on the 27th of September.

Your child will also be working on their mihi/pepeha as they will need to present this before their speech. I have most children's mihi on record and we will use these again this year, however new students to Rere will bring home the format we use. This is to be completed at home and returned to school as we will be using them daily. If you are not sure how to complete the form please ring or email as we are more than happy to help.

While we are practicing every day for the rural schools cross-country can you **please make sure that your child/ren have a change of clothes** as they get very muddy. This is causing extra work for our bus drivers who have had to clean the seats after use. Also please return to school any emergency clothes they may have been given over the last few weeks as we are now getting short of clothes for children to change into.

EOTC:

Attached this newsletter is the permission slip for the rural schools' **cross country at Tiniroto on**
