

PANUI

Rahina te 17 o Hui-tanguru 2020

Term one, week three

Tēnā tātou,

EVERY DAY MATTERS, EVERY MOMENT COUNTS.

Dear Parents and Caregivers,

SCHOOL VALUE: The value at the heart of our learning community last week and this week is **RESPECT**. We show respect in many ways every day. Respect occurs when you:

Listen to others

Play fair

Use good manners

Wait your turn

Compliment someone

Pick up after yourself

How you treat others

THIS WEEK'S AWARDS:

Congratulations to **Tess Worsnop** and **Desiah Waihi-Hawkins** who received our VALUES certificates for **RESPECT** this week. Tess received her award for being so RESPECTFUL to everyone in the school setting by being there to help whenever it is needed. Desiah received her award for being such an enthusiastic and respectful learner.

CONGRATULATIONS also to **Ella Cook** who received a classroom certificate for thinking really hard about the sounds she can hear in words when writing. **Devorn Harrison** also received a classroom certificate for the fantastic attitude he has had over the week to all aspects of school life.

SCHOOL NEWS:

This year we will be working with our school community to get some shared understandings about the teaching and learning we want at Rere School. The New Zealand Curriculum is a clear statement of what we deem important in education. It takes as its starting point a vision of our young people as lifelong learners who are confident and creative, connected, and actively involved and includes a clear set of principles on which to base curriculum decision making. But we also want a local curriculum that strengthens our people and celebrates our place. Our local curriculum is the way that we bring The New Zealand Curriculum to life at our school. We have engaged a professional consultant to work through this process. Our first meeting will be held on the 27th February with the Board and Staff to determine an implementation plan. **The first community hui will be held on the 12th of**

RERE SCHOOL WILL DEVELOP THE WHOLE CHILD ENABLING PERSONAL EXCELLENCE

Rere School, Private Bag 7623, Gisborne 4040 06 867 0868 office@rere.school.nz

March at 3.30. Please keep that date free as we would love your input and want to ensure that everybody's voices are heard throughout this process.

Unfortunately Sam Cairns, the Police Education Officer, is off on medical leave so we have had to postpone the bus safety programme on the 3rd March until he is back at work.

A reminder that we have our **Beach Education day on Friday 21st February**. We will leave school as soon as the children have all arrived. We will be leaving the beach at 2pm to ensure that we are back in time for the afternoon bus runs.

Children can bring their bikes from next week so that they can practice for the rural schools' triathlon on the 6th March. They must have safety gear – helmet and shoes and the bike must be road worthy with good working breaks.

Please ensure that the school has your correct contact details. It is vitally important that we be able to contact you immediately should there be an emergency.

FOOD FOR THOUGHT:

Your brain runs best when you give it the best fuel. If you don't eat right your brain is like a car full of the wrong sort of petrol chugging up the hills and needing more revving to get going. If you want to do well at school and in life you have to eat breakfast. Research has shown that breakfast eaters get 40% higher marks in math. People who eat breakfast are less likely to be absent from school. Studies have also shown that non-breakfast eaters are twice as likely to be depressed, four times more likely to suffer anxiety and 30% more likely to be hyperactive. Having a higher protein – lower carbohydrate mix for breakfast enhances concentration and memory. Also avoid lots of sugary cereals, juices and heaps of toast and get some eggs, milk and porridge or bacon in (Andrew Fuller).

CHILDREN'S WRITING:

HOT DAYS - A short paragraph about the effects of the hot temperatures.

In the holidays I went to help in the woolshed. January was a busy time with the lambs, crutching, drenching and shearing. The Hot temperature did not help us working in the woolshed and in the yards. The heat was extreme, over 30 degrees each day and the dust from the dry, hot ground added to the heat.

By Putu Reedy

BOT NEWS:

The first meeting of 2020 will be held 25th February at 6.30pm in the Library.

BUSES: The bus driver roster and timetable are on the webpage for your convenience.

www.rere.school.nz

Your drivers this week are Wharekopae- Paula Reedy, phone 867 3585

Taumata – Casey Maddock, phone 867 0234

It is important that you let the Bus drivers know when your child is not going to be on the bus, especially in the morning, so that they are not sitting waiting and late for the next pick up.

COMMUNITY NEWS:

WHANAU
Have-a-go Day
Where: Badminton Hall
When: Sunday 8th March
Time: 1-4 pm

Free of charge. Rackets and shuttles provided, just wear your sports shoes.

Come and have a go at the fastest racket sport in the world

RAISING AWARENESS FOR STROKE SURVIVORS

The purpose of the event is to raise awareness for stroke survivors and support services for local families and whānau. The course is accessible for all including those with disabilities, and families and whānau with prams and strollers. All proceeds from this event will go directly towards funding stroke support services in the Gisborne/Tairāwhiti region.
