EDUCATION = OPPORTUNITIES, EVERYDAY MATTERS

Tēnā koutou katoa,

Last week we welcomed Benji Hovell to Rere School. He settled straight into school life at Rere School and looks like he has always been a member of the classroom. We now have 16 ākonga in the junior room. 29 children in the school altogether.

THIS WEEK'S AWARDS:

Congratulations to **Charlie Worsnop** and **Benji Hovell** who received our **VALUES** certificates for **SELF-MANAGEMENT** this week. Charlie received his award for being such an enthusiastic self-managing learner. Benji received his award for having such an awesome first week of school.

SCHOOL VALUE: the value at the heart of our learning community over the next two weeks is **MANAAKITANGA**.

CONGRATULATIONS also to **Robbie Worsnop** who received a classroom award for being such a great friend. **George Candy** received a classroom award for working so hard to make sure he completes all school learning tasks.

SCHOOL NEWS:

All our ākonga in the senior room have been given logins to the national library service. This means they have access to a wide range of library books whenever they want. The great thing about the online option is that books can be manipulated to have bigger font if necessary and are dyslexic friendly.
