Tēnā koutou katoa,

Kia ora whānau,

THIS WEEK'S AWARDS:

Congratulations to **Tori Cheetham** and **Ava Gannaway** who received our **VALUES** certificates for **MANNAKITANGA** this week. Tori received her award for showing manaakitangi by being so hospitable to our guests. Ava received her certificate for showing manaakitanga by treating other people with kindness and respect.

SCHOOL VALUE: the value at the heart of our learning community for the last two weeks of this term is **RESILIENCE**.

CONGRATULATIONS also to **Logan Maddock** who received a classroom award for great thinking on his science fair project. **Cora Las Vegas** received a classroom award for the resilience he showed by completing his speech despite being so emotional about having to leave his special place.

SCHOOL NEWS:

Thank you so much to everyone who came out to attend the Rere School Speech Evening. It is not easy to stand up in front of others to speak so a huge congratulations to everyone for doing so. There was so much passion to be heard so obviously the topic of "Our Place" was a good choice. Tino pai to **Tess Worsnop, Putu Reedy, Manahi Maddock, George Candy, and Hamish Cook** who received the top scores in their year groups and with that the right to represent Rere School at the small and rural schools' speech competitions next term. A letter will be sent home with these children later in the week with further information about this.

Last day of term three is **25th September**. Term four begins Monday 12th October. The dates for term 4 were included in last week's newsletter. There is one more date to add – **the 27th October will also be a Teacher only day** to work on finalizing our local curriculum documents.

Today also marks 45 years since the first Te Wiki o te reo Māori was held. It is a point in time to celebrate, promote and encourage use of te reo – it is also a prompt that every time we use te reo we contribute to its revitalisation. So have a go at making te reo part of your everyday life.

This week we have the Year 7&8 ākonga out on another sailing experience aboard the waka hourua with Patutahi and Waerenga-o-kuri schools.

We have three year 7 boys putting the skills they have learnt with Turanga Health into practice by playing in the league tournament later this week.

Tori Cheetham will be attending another writers retreat on Friday.

After the Prime Minister's announcement today to stay in level 2, Tiniroti have had to unfortunately cancel the cross country. They are hoping they can come up with an alternative and will let us know when this occurs. Apologies for any inconvenience.
