

**PANUI Week 4 Term 4**

**Rahina te 2 o Whiringa-ā-rangi 2020**

**EDUCATION = OPPORTUNITIES, EVERY DAY MATTERS**

Tēnā koutou katoa,

Kia ora whānau,

Next week we begin celebrating the year's learning by assessing, analysing and then reporting on progress and achievement. This process provides useful feedback to students and their whānau about what and how well students are learning against expected curriculum levels. The information gathered also informs management, the Board, and the Ministry of Education of achievement against the annual targets for 2020 and is used to set teaching, learning and resource priorities for 2021.
