

**EDUCATION = OPPORTUNITIES, EVERY DAY MATTERS**

Tēnā koutou katoa,  
Kia ora whānau,

I was so very disappointed to miss such an awesome day at the Rural West Cluster Athletics on Friday. We are all so proud of everyone's performance on the day. It is very exciting to have the shield back at Rere School again.

**THIS WEEK'S AWARDS:**

Congratulations to **Jack Roberts** and **Ophelia Kemp** who received our **VALUES** certificates for **CONFIDENCE** this week. Jack received his award for working hard and demonstrating confidence in the face of difficulty at high jump practice. Ophelia received her certificate for showing so much confidence and resilience preparing for and competing at athletics.

**SCHOOL VALUE:** the value at the heart of our learning community over the next two weeks is **SELF-MANAGEMENT**. Please talk to your child about what self-management looks like and sounds like at school

### **SCHOOL NEWS:**

We are also very excited about celebrating our year's learning and gathering the evidence needed to prove progress and achievement as well as determine the next steps in learning which the children will share with whānau at the Student Led Conferences held 2<sup>nd</sup> and 3<sup>rd</sup> December. More information about this will be coming home soon.

This week we are also focusing on being a responsible pet owner, celebrating all pets, and pet health awareness. We look forward to sharing what has been achieved at home and school on Friday at the Rere School Pet Day.

**Pet Day;** please note that there will be a barbecue to celebrate at the end of our Pet Day. This is not a fundraising venture so there will be no cost. There will be time for a catch up and morning tea in the community room prior to the day starting. There will also be a picnic table for the children's morning tea. Please bring a plate to share.

#### Something for the adults: Fill a Vase Competition

Bring a Jar or Vase filled with flowers or flora (plants) from your garden or bush or side of the road. This year there will be spot prizes for entries!! Anyone can enter – the more the merrier. Please drop your entries off to the Community Room on Pet's Day. There is also a pet section for the adults if you wish to join in.

If you haven't sent your animal entry forms back to school please do so asap so the programme can be finalized. Remember you can bring more than one animal.

### **EDUCATION OUTSIDE THE CLASSROOM (EOTC):**

Friday the 20<sup>th</sup> November the whole school will be going to the Museum for an Enviro Arts workshop. The session examines the work of New Zealand artists who explore environmental themes or use recycled or found objects as the basis of their work, artists such as Joanna Langford, Michael Tuffery, Peter Maddan, Eve Armstrong and Neil Dawson. We are also hoping to visit the enviro centre before coming back to school.
