Reporting to whānau

We have the Three Way Conferences next week Wednesday 2nd and Thursday 3rd. The forms to indicate your preferred time for these will be sent home today with the children. This is an opportunity for our learners to share their year's progress and achievement, and next steps in learning. We aim for 100% turnout for this Celebration of Learning so if you are unable to make these times please let us know and we will reschedule to a time that suits us both as it is important to us that every child has the opportunity to share their learning successes with their whānau. A written report will be given to you at the three way conference. This report, along with your child's assessment information, is a summary of your child's academic growth so far this year. It also shows the progress your child is making against the New Zealand Curriculum. You are always welcome to make an appointment to discuss any aspect of your child's learning with their classroom teacher.

Prize Giving Evening

Early finish, 1.00pm, Thursday 10th December for prize giving to give children enough time to get home and have some time out before having to be back at school. Prize giving will start at 5.30. We are all looking forward to seeing everyone there as we celebrate our children, our school and our community. And there is much to be celebrated. There will be a Hakari – (meal) to celebrate the year and our ākonga. Paula will be contacting parents regarding this.
