Term two, week five

Dear Parents and Caregivers,

Please remember school photos are this Wednesday, start time 9am. It's a long weekend this coming weekend, with Monday being Queen's Birthday, we hope everyone enjoys the extra time spent with whānau and friends.

Friday we said goodbye to Niko Rogers and Israel Foster who have moved on to Mata School. It is always sad to see children go but we wish them well in their new adventure.

THIS WEEK'S AWARDS:

Congratulations to **Sophie Ewen** and **Keanu Robin** who received our VALUES certificates for **RESPECT** this week. Sophie received her award for always showing respect towards people and the environment. Keanu received his award for being so respectful to everyone at school.

SCHOOL VALUE: the value at the heart of our learning community for the next two weeks is **RESILIENCE**.

CONGRATULATIONS also to **Marama Roberts** who received a classroom award for giving everything a go and changing "I can't", to "I'll try", and she can! **Georgia Roberts** received a classroom certificate for showing perseverance and superb growth with gymnastic skills.

SCHOOL NEWS:

What an awesome job our children did at the Gymnastics Festival last week. I was just so proud of what everybody achieved on the day. Despite most of the C team being absolutely awe-struck by the venue, the number of people and forgetting all they had practiced, they had the biggest smiles and their pride was very evident. The A team girls were inspiring. They chose to challenge themselves by creating their own floor routine and were amazing. There was so much positive feedback about how beautiful their movements were from a wide range of people at the venue and their e-buddies were so proud to say they knew those girls! **Molly Roberts** placed first in the B girls Rural Intermediate section. **Israel Foster** placed second in the B boys Rural Intermediate. **Campbell Steele** placed third in the B boys Rural Intermediate. **Rere School** came third place out of all the Rural Schools so we are feeling really chuffed.

The children had an awesome day out on Friday at Patutahi. The weather was perfect and it is always exciting to go to a new venue and catch up with our friends from across the cluster.

Minus-5; Send your child to school on **Tuesday 6th of June** with a great lunch minus the sugar. Go to www.minus5.co.nz/monday/June2017 for this months three inspirational lunch box ideas.

OUTDOOR CLASSROOM:

Thank you to all those involved in the behind the scenes preparation that has been happening to make sure we are ready for **Planting Day, 9th June**. After the planting we will have a shared dinner of hamburgers rather than a BBQ as everyone will be all hands on a spade or in the dirt. Waioma and Taumata Stations are donating the burger patties and home-made coleslaws. **Please bring their own burger buns and something sweet to share.**

BOT NEWS:

Next meeting is 13th June at 6.30pm in the Library

EOTC:

Please find attached to this newsletter a permission slip for the Junior children to attend a theatre performance with Capital E next **Tuesday 6th June**. They will be travelling as a class group and returning to write about the experience.

This week Thursday, we have the Eastland Wood Council coming up to school to run a workshop with the children. The programme is about recognising the changing type and frequency of vehicles on our local roads, educating our children how to be safe around heavy vehicles as well as educating drivers in our community on how to share rural roads safely with heavy vehicles. They will be bringing a loaded logging truck to school to help with the delivery of the programme. Whānau are welcome to attend. Starts at 9am.
