12th June 2017
Term two, week seven

Dear Parents and Caregivers,

What an awesome afternoon we had last Friday. The past, the present, and the future came together to create a learning space for young and old for generations to come. A massive thank you to all those who made the day so special for us all.

We seem to have an array of bugs around at the moment. The junior room only has 5 at school today. The tummy bug is a new one so if your child is complaining about cramps or sore tummy it is probably best to keep them at home.

THIS WEEK'S AWARDS:

Congratulations to **Eve Robin** and **Manahi Maddock** who received our **VALUES** certificates for **RESILIENCE** this week. Eve received her award for always showing resilience and an 'I can attitude'. Manahi received his award for bouncing back so confidently and buckling down when expectations are raised.

SCHOOL VALUE: the value at the heart of our learning community for the next two weeks is **CONFIDENCE**.

CONGRATULATIONS also to **Lexie Ewen** who received a classroom award for her awesome writing, full of exciting language and fantastic word tries. **Hannah Steele** received a classroom certificate for being organised and working hard.

SCHOOL NEWS:

Starting 19th of June we will be going into our assessment and reporting cycle. For two weeks our focus will be on assessments to provide evidence of progress and achievement as well as give everyone their next steps in learning and teaching. This information will be shared with whānau during the SLCs (Student Led Conferences) in week 10. There will also be a written report with a national standards focus.

BOT NEWS:

Board meeting this Tuesday 13th June at 6.30 in the school Library. All are welcome.

EOTC:

We have St John's here on Friday 16th of June teaching first aide skills so that our learners can self-manage minor injuries and know what to do in an emergency. This year we would like the children to bring a gold coin donation for St Johns. They had their annual appeal earlier this year but I thought it more relevant for us to wait until they came to visit.

Please find a permission slip attached for the Mindlab. We will be attending two workshops there on Friday 23rd June.

SPORTS RESULTS:

Rugby

U11- Ngatapa Green (Campbell) vs HSOB Hurricanes; Lost 30-35, Campbell 2 tries

U9 - Ngatapa Stags (Devorn, Putu, Charlie) vs Ngatapa Green; Won 65-10, Charlie 1 try, Putu 2
