Term two, week nine

Dear Parents and Caregivers,

Two weeks to go and it is the holidays again. I can't believe how fast this term has flown by. School will finish at the usual time on Friday 7<sup>th</sup> July. Term 3 begins 24<sup>th</sup> July.

We had a great morning at the MindLab on Friday. Many new skills learnt, with a focus on 3D. The Year 4-8s used a 3D design programme. The children will be working on a design over the next two terms and then with some collaboration with the team at MindLab, will have that design 3D printed. These taonga will be hung in the outdoor classroom.

The Year 1-3s made videos they created using stop motion animation. Such great storytelling! The aim is for them to present a video using this programme at the forth coming speech evening.

### SCHOOL NEWS:
