Term three, week six

Dear Parents and Caregivers,

Welcome to another week at Rere School. This week for the first time the office board is empty so a great chance to get into completing the technology boards for the upcoming Science and Technology Fair. The children are in full swing creating and innovating for the wearable arts. Unfortunately Turanga Health did not arrive as expected on Friday for the traditional Māori games. Some very disappointed children and staff. However they assure me they will be here on the 22<sup>nd</sup> of September.

If anyone lost some money last week please get in touch with me.
