

# 2020 Targets

## What are we hoping to achieve?

**85%+** of our ākonga are writing at expected level or above.

Boys and girls are achieving equally well as are our Māori learners.

All children are experiencing success and happiness in their academic learning.

Focus on use of learning intentions and success criteria.

All classroom programmes are designed to engage and motivate learners through rich, authentic learning opportunities.

Community Projects

Passion Projects

Kārinui

### An Exciting and Effective Local Curriculum;

Ākonga, staff, board of trustees, school whānau and the wider school community are all working together to get some shared understandings about the teaching and learning we want at Rere school.

We want a local curriculum that strengthens our people and celebrates our place.

We know there are some amazing people doing amazing things in our community - how do we better connect our students to these learning opportunities?

How do we make our vision, to develop the whole child enabling personal excellence, come alive for every learner, every day?

**Target Groups** -all year 1-8 children who are not yet achieving to the expected curriculum level in reading, writing and mathematics.

All whānau are actively involved in their child's learning and feel a strong sense of whakawhānaungatanga.

## Focus on play-based learning, Science, te ao Māori, Passion Projects and the Visual Arts.

School wide focus on growing the School Values so that we have students, staff and whānau who are inspired and have high levels of well-being.
