

## **NEWSLETTER**

**Term 2, Week 4**

**24th May 2021**

### **TERM 2 DATES**

- ◆ Capital E Theatre—Junior Class—Friday 28th May.
- ◆ BOT Meeting—Tuesday 1st June
- ◆ Queens Birthday—Public Holiday Monday 7th June—No School
- ◆ Camp Fundraiser—The Dome Cinema Tuesday 8th June.
- ◆ Life Education Visit—Friday 11th June
- ◆ Rere Planting Day @ Waterfalls with District Council—Wednesday 30th June.
- ◆ Friday 9th July—Last day of Term 2

### **Yummy School Stickers**

Each year Rere School participate in the 'Yummy Sticker' promotion. Families can collect stickers from 'Yummy Fruit' and Yummy Cut Out labels from apple bags which are then attached to a collection sheet (which is attached to this newsletter). The stickers are handed into school at the end of Term 3 and this enables us to receive free PE equipment. If you need more collection sheets then these are available at the office or on the Yummy Fruit website.

Kia ora koutou,

The exciting news is that the Board of Trustees has appointed a new principal! Congratulations to David Milne, currently Deputy Principal of Makaraka School. David has been a principal previously, and will be starting at Rere School at the beginning of Term 3. I will be working with David to help with the transition, and wish him all the best.

Congratulations also, to the BOT. Appointing a principal to a school is the most important job a BOT will ever do, as it sets the tone of a school for years to come. The many hours of work and your considered approach to the appointment are appreciated by everyone.

It was Fiona Cummings last day at Rere School last Friday. She finished her time here with a week in the junior class. Thank you, Fiona, for everything you have done for Rere School. I'm sure your retirement will be busy and exciting.

I have just had a week in Melbourne – a long awaited planned trip to attend a special event of my youngest daughter. I am grateful that the BOT understand the importance of whanau so that I could be there for Lucy. Thank you to Lynn, Fiona, Paula and Kay for all their hard work last week.

Once again, I am reminded of an old Maori proverb.

He aha te mea nui o te ao? He tangata, he tangata, he tangata.

What is the most important thing in the world?

It is the people, the people, the people.

Have a great week everyone.

Nga mihi nui ki a koutou

Linda Kermode

Reminders: Juniors to please have spare clothes in their bag in case they get wet or dirty. Thank you.

**School Camp Fundraising** - A BIG THANK YOU to all the parents that were able to attend the crutching held at Mutuera Station. Your support is awesome. Nicholas and Rebecca Barclay have offered one more crutching opportunity and details of the date will be sent out soon. Again thank you everyone for your time and support.

*Rere School will develop the whole child enabling personal excellence.*
