'Flying High'

Above: We welcome to our school Lewis Rangiwai. Lewis has joined us from Kaiti school and has fitted like a glove into the junior room. Welcome Lewis!

Below: Lockdown can certainly be a time for creativity and innovation as Benji demonstrated to us all at assembly with his creations!

Principal's Message - 2021. Term 3 , Newsletter 8

Nga Mihi Koutou

Lockdown is never easy! But I'm very proud that we can say as a staff and community that we had a 100% online engagement at different times during Level 3 & 4. This is testament to the value all of you place in your child's education and the intrinsic motivation that all of our learners have.

A big thank you to Miss McIntosh and Ms Davies for all the creativity they demonstrated in keeping our learners motivated and the speed in which they picked up our distant learning programme.

Also thanks to Kay and Paula for getting the hard packs out to the community during Level 3 & 4.

COVID 19 is hitting us all in similar and different ways. It's important to be mindful of people's different circumstances and try and maintain that kindness that our community is renowned for.

- **Distant Learning Feedback Form**- If you haven't already can you please complete the form. We have had only half the families complete it and your feedback is really important to us moving forward. If you're struggling with accessing please make contact with me.
- **Distant Learning Resources**- If you haven't already can we ask that you bring back all books, devices or other equipment you borrowed from the school over the lockdown.
- **Cross Country**- We will be looking to have our own school Cross Country before the end of term. Watch this space! Motu Cross Country is also an option in the first week of Term 4.
- **Year 4-6 Rugby Rural Schools Team**- This is one sport that looks like it will continue under Level 2. Our school will still be hosting a match against Makaraka on Friday the 24th of September.
- **Achievers Assembly**- On the last day of Term we will be having an achievers assembly that will celebrate five learners that have excelled in demonstrating our Values and 3 learners that have achieved in Reading, Writing and Maths.
- **Camp**- The dates of Camp have changed to Week 4 Term 4 8th-12th November. I hope this hasn't caused too much disruption.
- **Yummy Fruit Stickers**- If you're collecting these sticker please can you return them to the office this week. Thank you.

Moonlight By Manahi Maddock

Her children glimmer and gleam through the night.
 No one can see the darkness because they're so light.
 They race across the black sea.
 She dances in her white cloak with glee.
 Galaxies pierce through the inky sky.
 As the sun says "bye bye!"
 She shines like a flower that's about to bloom.
 It's Te Marama The moon.
